1.1 IASS Paper

Name of paper:

Name of presenting author

* Each team must write, submit and present a conference paper at the joint 2019 IASS-Structural Membranes symposium in Barcelona. There will be a special session where the pavilions will be presented by the authors and discussed by the audience. The submission and review of your abstract and paper will be independent of the expo and will be performed by the scientific committee of the joint symposium.

2 Submission requirements

Together with this form please confirm you will submit as a .zip file the following:
